Jim,

I would like to take this time to thank you and your crew for the exceptional installation of the Pli-Dek walk-on deck system you supplied for the Sherris-Lacitis project. As a general contractor for 34 years, I can appreciate a subcontractor who shows up on time, delivers a professional contract and provides a crew that installs a product on time.

Your crew maintained a clean and safe work area on a daily basis. They took the time to explain to me the process and steps of the installation. This allowed me to stay focused on the other phases of the project.

Again, thank you for the great work and feel free to use me as a reference at anytime.

Sincerely,

Brad Van Every, Pres.
